CAPABILITY STATEMENT

COMPANY OVERVIEW

With over 5 years of staff combined experience, Midsouth Forestry Services provides comprehensive tree care and site preparation for residential and commercial projects. Founded by Ethan Barrow and Holly Barrow, Midsouth Forestry Services is a family business that specializes in all thing's trees. As a woman-owned company, we offer high quality work that is executed with honesty, integrity, and hands on interaction to ensure customer satisfaction in all aspects of the job. We proudly serve Memphis and the Midsouth, however we travel wherever needed.
